

BLANCHARD
ASSOCIATES

LED Lighting and Energy Management Products

Under contract with multiple manufacturers, Blanchard Associates helps put all of the pieces together' for the ESCO, MEP Engineer, Utility, Contractor, Facility Manager, OEM Equipment Manufacturer, & Industry Trade Professional. We welcome the opportunity to help support your product application, design, logistics and supply chain needs.

SUSTAINABILITY PRODUCTS GROUP:

LED Lighting Products for Residential, Commercial & Industrial Applications

US-based Global Lighting Products Manufacturer ★★

For 40+ years, EiKO Global has been a leading supplier of LED, Linear, CFL, HID, Halogen, Incandescent, and Specialty lighting products for indoor/outdoor lighting applications. West Coast Inventory in Ontario, CA.

www.eiko.net

Manufacturer of Innovative Harsh-Duty LED Lighting Products

Solutions for harsh-duty applications including food processing, ports/maritime, rail & transit, automotive services, distribution centers (loading docks), infrastructure (tunnels), mining (MSHA approved), oil & gas. USA Made.

Electrical Submetering for Building Management Systems (BMS) ★

PowerScout series networked power meters are provide accurate kWh consumption and kW demand as well as all relevant energy parameters for diagnostics and monitoring on three-phase high-density or single-phase circuit installations. For all commercial, industrial, residential and retail facility submetering and load segregation.
